16.0 Competition Structure Update

Further to Ian Powell's Swimming Report presented at the AGM prior to this Executive Meeting, Amanda Booth (ONB rep on SER Coach Forum) advised by email that final information on the new structure may not be available before the Nationals , that SC Nationals will not commence until Dec 2015 so SER SC should be 1st w/e in Dec 14. that the LC qualifying period may be March-May , that the SER LC comps will all be in May and that all Zonals have been cancelled as that period will be for Counties only. That therefore suggests that Counties will be Jan/Feb option.
